Table of Contents

Volume 2a – Figures (excluding LVIA Figures)

FIGURE	TITLE
Introduction	
1.1	Site Location
1.2	Proposed Development Layout
Proposed Development	
2.1	Typical Turbine Elevation
2.2	Typical Turbine Kiosk
2.3	Typical Turbine Foundation
2.4	Typical Turbine Hardstanding
2.5	Typical Cable Trench
2.6	Typical Existing Road Widening
2.7	Typical Track
2.8	Typical Water Crossing Methods
2.9	Indicative Construction Compound 1
2.10	Indicative Construction Compound 2
2.11	Indicative Construction Compound 3
2.12	Indicative BESS Compound
2.13	Indicative Substation Compound
2.14	Indicative SPEN Compound
Design Evolution and Alternatives	
3.1	Environmental Designations
3.2	Scoping Layout
3.3	Additional Land Layout
3.4	Design Chill Layout
Ecology	
6.1	Ecological Designated Sites and Ancient Woodland within 5 km
6.2	Carbon and Peatland Map 2016

6.3	National Vegetation Classification Survey Area and Results – Index
6.3.1-10	National Vegetation Classification Survey Area and Results
6.4	Potential Groundwater Dependent Terrestrial Ecosystems (GWDTEs) Survey Area and Survey Results – Index
6.4.1-10	Potential Groundwater Dependent Terrestrial Ecosystems (GWDTEs) Survey Area and Survey Results
6.5	Protected Species Survey Area and Survey Results – Index
6.5.1-3	Protected Species Survey Area and Survey Results
6.6	Bat Potential Roost Feature Survey Area and Anabat Locations
6.7	Monthly Bat Site Activity 2020: Common pipistrelle
6.8	Monthly Bat Site Activity 2020: Soprano pipistrelle
6.9	Monthly Bat Site Activity 2020: Nyctalus spp.
6.10	Monthly Bat Site Activity 2021: Common pipistrelle
6.11	Monthly Bat Site Activity 2021: Soprano pipistrelle
6.12	Monthly Bat Site Activity 2021: Nyctalus spp.
6.13	Electrofishing Locations and Survey Results
6.14	Proposed Habitat Management Units

Ornithology

7.1	Survey Areas
7.2	Designated Sites
7.3	Viewsheds
7.4	Scarce Breeding Birds Survey Areas
7.5	Black Grouse Survey Areas
7.6	Winter Walkover
7.7	Black Grouse Lek Locations
7.8	Raptor Activity
7.9	Goshawk Flight Activity
7.10	Flight Activity - Hen Harrier, Hobby, Merlin, Osprey and Peregrine Falcon
7.11	Flight Activity - Curlew and Golden Plover
7.12	Flight Activity - Waders
7.13	Flight Activity - Herring gull and Whooper Swan

Geology, Hydrology, Hydrogeology and Peat

8.1	Site Layout
8.2	Hydrological Features
8.3	Superficial Geology

8.4 Peatland Classification
8.5 Peat Depth Plan
8.6 Bedrock Geology
8.7 Regional Hydrogeology
8.8 Watercrossing Location
8.9 Private Water Supply Risk Assessment
8.10 Ground Water Dependent Terrestrial Ecosystems

Forestry

9.1 Forestry Study Area
9.2 Baseline Forest Details
9.3 Wind Farm Felling
9.4 Designated Areas
9.5 Future Baseline

Cultural Heritage

10.1 Cultural Heritage Sites
10.2 Cultural Heritage Designated Sites

Traffic and Transport

11.1 Transport Study Area
11.2 Traffic Count Locations
11.3 Personal Injury Accident Locations
11.4 Abnormal Indivisible Load Route

Noise

12.1 Noise Sensitive Receptors and Baseline Measurement Locations
12.2 Predicted Noise Levels at 10 m.s – Proposed Development Only
12.3 Predicted Noise Levels at 10 m.s – Cumulative

Aviation and Radar

13.1 Aviation Study Area
13.2 Proposed Development Location within the GPA/CTR

Other Issues

14.1 Shadow Flicker Study Area
14.2 Shadow Flicker Results (Realistic Scenario)
14.3 Cumulative Shadow Flicker Study Area
14.4 Telecommunication Constraints
